Dear Sir,

My address has been changed since I last wrote you.

I understand someone from Princeton, N.J. tried to contact my office; however I had moved a week earlier.

I would still like to speak with someone about the subject I spoke of in my last writing. Thanking you for your kindness, I remain,

Respectfully,

Dear Sir:

I have reason to believe that my organization may be of some use to your department and our nation.

Our purpose is to send underprivileged children, college students and senior citizens abroad, to form a better understanding of each other and the working of their country in relation to human needs. Also to promote good-will on a non-governmental level etc.

When properly funded we intend to travel anywhere in this world to seek out our purpose.
You may contact me at the above address if you see the need or fit.

Thanking you for your kindness I remain,

Sincerely
